

Help Refugee Children Play! October Equipment and Fund-Raising Drive

**Calling all MBSS U10 Boys and Girls!
Do you have new or gently used
soccer or volleyball equipment?**

During the month of October you have the chance to share your love for soccer with refugee children in Africa!

You can help replace balls made out of old rags and plastic with real soccer and volley balls and other sports equipment, while also helping provide them with an education.

Three ways to get involved:

- (1) Collect new and gently used soccer and volleyball gear for Darfur refugee children
- (2) Sell paper 'Soccer Balls' and raise money for education in the refugee camps. Keep your paper soccer balls and we'll put them on display at the next MBSS Banquet!
- (3) Write a letter or draw a picture for a refugee friend!
